

ABF Leadership Team (individuals or couples)

This **Leadership Team** has one person or couple heading each TASK area. The co-coordinator of the team keeps the ABF Director informed of the class' needs and progress. The coordinator may also cover one of the TASK areas or simply oversee the entire group.

The **Leadership Team** meets together at least quarterly to evaluate their TASK and for planning. The ABF Leadership Team Coordinators meet periodically with the ABF Director for encouragement and direction as needed.
